

Exploring: Social Entrepreneurship

**Learn by
experience:**

Run a coffee
business as part
of a team

What will I do?

- Build elite business skills
- Learn how to do good and make money
- Plan, promote and sell in a team
- Share the profits of your efforts

What is the program?

The Explorer Program is a five week introduction into Social Entrepreneurship. Students learn some of the specialized skills needed to be Social Entrepreneurs, as well as the basics on how to create a business that makes money and does good.
